How do I get a King Soopers Neighborhood Reward Card?

Cards can be purchased through our online store at <http://bkmarketplace.org/?p=4297>

How do I use the card?

The grocery cards come preloaded with \$5 on King Soopers cards. PRIOR to checkout you reload (add value to) your card, in a separate transaction, at the cash register or customer service desk*. You can reload your card with any amount up to \$500. You can reload your card an unlimited number of times. Time saving tip: Reload your card monthly with the amount you budget for groceries and gas.

*If you reload your card at the customer service desk there is approximately a 5-minute delay for your card to be processed so it is easier to simply hand your card to the clerk at the register before they scan your groceries.

What if I lose my card?

Keep record of the # on the back of your card. Each card has an ID # that keeps track of your balance. If your card is lost, your money isn't gone (provided someone did not find the card and use it immediately). If your card is lost the balance can be retrieved from the computer, your old # retired and a new card is issued with the balance from your lost card. Remember that the balance needs to be transferred to a card linked to Ascend Performing Arts

How do I check the balance on my card?

There are four ways to check the balance: the bottom of your most recent receipt; online at gcbalance.com for King Soopers; by calling 1-866-822-6252 (KS); by calling 1-800-229-5855 (SW); or your cashier can check the balance.

What can be purchased with King Soopers reloadable cards?

Any merchandise in King Soopers and City Market stores including groceries, prescriptions and gasoline. (Services such as Western Union, lottery tickets, stamps, etc. are exempt.)

Can I use my King Soopers Reward cards to purchase gasoline?
